HUNK 440 FEATURES

FULL COLOUR LCD DISPLAY

Elevate your ride with a full colour digital speedometer featuring a negative back lit display for clear, easy access to vital information. With smartphone integration, Bluetooth connectivity, turn-by-turn navigation, low fuel indicator and distance-to-empty feature. The RTMi (Real-Time Mileage Indicator) display provides real-time mileage tracking and a gear indication.

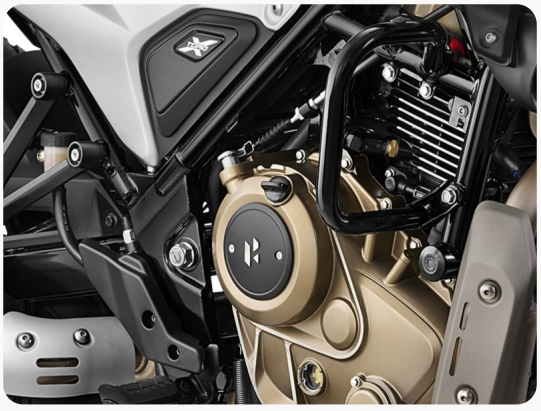

METTLE x METAL

Experience the unparalleled strength and durability of a meticulously crafted metal body protected by tubular steel crash bars. Its resilience speaks of quality and longevity, ensuring your ride is not just about style, but also about substance.

DESIGN LANGUAGE

The Hunk 440 embodies the perfect balance of simplicity, boldness and innovation. Its design seamlessly integrates timeless elegance with modern functionality, The Hero 440 isn't just about freedom of movement, it's about freedom of expression. Filled with Wonder, Ready to Wander.

PRECISION x POISE

With power comes precision and poise in the Hunk 440. The rider ergonomics, the optimized chassis geometry and balanced dynamic of the Hunk 440 gives you a feeling of great integration, that rider and machine are as one.

BRILLIANT LED LIGHTING

The Hunk 440 has full LED lighting for the headlight, indicators and tail light to give optimum visibility day or night from these stylish, sleek looking lights

SCULPTED LOW SEAT

The Hunk 440 has a comfortable, sculpted dual seat with a low (riders) seat height of just 803 mm making it easy to manoeuvre at low speed and to get on or off the machine.

KAYABA USD FRONT SUSPENSION

The Hunk 440 has KYB 43mm upside-down forks with 130 mm of travel providing comfort and precise handling

USB CHARGING PORT

The Hunk 440 has an easy to access USB port with a waterproof cover allows charging of devices, adding practicality to the equipment.
